

PARLIAMENTARY DEBATE

Parliamentary debate is defined by the NPDA as “an audience-centered form of two-person debate”. In each debate, two students will represent the government side (or the side supporting the resolution), while two students will represent the opposition side (or the side negating the resolution).

Rules of the Event:

- ✧ Each team will comprise of 2 members and will have to speak either ‘for the motion’ or ‘against the motion’.
- ✧ There will be two rounds.
- ✧ In the first round, each team member will have to introduce the topic in the first 3min, then there will be a cross-questioning round in between the teams for the next 5 min and for the last 2 min, each team will have to face the questions put up by the judges.
- ✧ The topic for the first round will be mailed to the teams one day before the event and for the last round, topic will be given an hour before the event.
- ✧ Only top four teams will be qualified for final round.
